### Introduction

Venture Center is India's largest inventive enterprises and scientific business incubator. It is the winner of the National Award for TBI, 2015 and AABI's Incubator of the Year Award 2018. Venture Center is home to the pioneering Lab2Mkt™ program that focuses on creating spinouts from publicly funded R&D organizations.

Through the program, Venture Center is happy to share its learning relating to technology and business incubation, and support the entrepreneurship promotion/awareness creation activities of an upcoming incubator. The comprehensive learning program will help managers of new incubation centers structure their programs into effective ecosystems that would play a critical role in long term sustenance and functioning of an incubator.

End point of this workshop: Go home with an understanding of the processes involved in running an incubator.

### Workshop Outline

Workshop shall consist of:

- Virtual Tour of Venture Center
- Talks and discussions
- Q&A sessions

### Terms and Conditions for Participants

- Participants shall arrange their own devices (preferably Laptop/ Tablet) and ensure the good internet connectivity during the online course.
- Attendance is mandatory for all sessions once registration is confirmed.
- No sessions will be repeated if a participant is unable to join due to poor internet connectivity or any other reasons.
