**Comments and Suggestions**

Need more focused in respect to market entrants.

Would like to have one on one mentoring session with him.

Excellent focused session, looking forward to more of such workshops.

very hands on knowledgeable guy.

very insightful thought,based on his own experience.

session was good,talks that share experience us are really worth.

Very Practical.

Will look forward more of this kind of interaction in future.

Great talk!would be great if we can talk one-on-one later.

Loved it that it was not a ppt driven discussion,would have appreciated if the personal experiences were shared in detailed.

The talk met the expectations as per our needs.

Very good session,The practical aspec of the subject was well articulated.

It was a nice talk & Interactive.

Yes! Very Much
